24th Ramadan 1430

Dear Parents/Guardians

It has been lovely to see all of the girls back at College.

We have had a very successful start to the term with the girls settling down to their learning and routines very quickly. The new Year 7 pupils are delightful and are a credit to the college already. We know they will continue their efforts throughout this term, InshaAllah.

The building looks fantastic and the site team has done a superb job over the summer. May I take this opportunity to ask you to remind your daughters about the college guidance regarding food in the building:

Chewing gum is forbidden

Crisps, fizzy drinks, sweets and chocolate may not be brought to college and will not be sold in college.

Results

I have enclosed a copy of this years results. We continue to be proud of the achievements of our girls, your daughters and wish them all continued success in their learning.

Salah

Salah as you are aware is one of the important pillars of Islam, we will be monitoring Salah throughout the year to ensure all girls conduct themselves appropriately at this important time of the day. I ask for your co-operation should we need to contact you.

Ramadhan

As we all know Ramadhan is a very very special and spiritual time for Muslims. It is a time to reflect and ponder upon their relationship with Allah and to seek the means of drawing closer to him.

As last year girls have had opportunities to recite the Qu'ran and take part in activities, like making Ramadhan calendars and other craft activities.
